Styer Mannlicher Schoenauer Manufacuted 1952

This is a one-of-a-kind collector's dream. The pictures do not do this rifle justice. It is gorgeous. The original owner sold in 1998. Only two owners and the rifle has not been shot in its 72 years apart from the factory test fire. It is chambered in 243 Winchester and features set triggers. The engraving was performed in Europe by traditional hammer and chisel artists. The stock is hand-carved, featuring oak leaves and acorns. The scope is a factory-installed 2.3x7 Kahles with leather optic covers. It includes a leather sling with markings similar to the stock.

???????It is protected by an aluminum case, which is velvet-lined. It will be wrapped in bubble wrap and removed from the case for shipment.
??????????
Will ship with UPS and full appraised value insurance, which the buyer will pay for. If any bidder would like more rifle photos and a letter from the original owner, please do not hesitate to ask.
