

## GAME TRACKERS AFRICA - ONDJAMBA SAFARIS – SOUTH AFRICA

### Olienhout Safari Area – Northern Cape - Southern Kalahari

.. operates various concessions across South Africa providing us with flexibility to meet different client needs. This allows us to tailor your safari to ensure the optimum experience and maximum time in the veld finding the right balance – “Live the African Legacy!”

We are excited about the latest addition to our safari area options – This gem, nestled in the largest Wild Olive (Olienhout) forests in the world presents each hunter with a unique opportunity to fulfil their dreams, making their memories and writing their own stories. We are proud to introduce our Olienhout Safari concession to you for tailored safaris for individual hunters/ hunter groups, families and family groups.

This area is situated in the Northern Cape Province, Central South Africa region. The Northern Cape is roughly the size of Germany 372, 889 km<sup>2</sup>), which is a third of South Africa size inhabited by a population of 1, 1 mil people (2, 3% of SA population) lives in a third of the country. The Northern Cape boasts a colourful history and a variety of cultural tourist attractions.

This pristine 10 000 plus acre safari area is 70 miles north west of historic town of Kimberley, the “Diamond City”, far from the hustle and bustle. This unique Safari Area offers some of the best hunting opportunities in southern Africa, it provides for thrilling walk and stalk experiences and your skills will be tested in many ways.

Olienhout Safari area's wide open spaces, clear skies and silence is home to 44 species and sub species of game including Buffalo, Rhino, Sable, Roan, Eland, Kudu, Nyala etc. It further provides for a Springbuck Slam with all 6 subspecies available as well as a wildebeest slam which will include the Blue, Golden, King Seretsi and Black wildebeest. Some exotics, such as, Barbary sheep and Scimitar Oryx are also on offer. Vegetation is dense with clearings (pans) ideal for stalking. Both bow and rifle hunting are accommodated which offer the hunter the opportunity to match his skill set and wits against the animals in their natural environment.

After a hard day's hunting, you can retire to luxury 4 Star accommodation decorated with Africa elegance. The Lodge is situated in the tranquillity of ancient trees, overlooking a huge pan where you can enjoy watching game, doing what they do best. The lodge with its spacious, classic farmhouse, will set you at peace with nature and make for a wonderful safari, you will be able to listen to tales of exceptional hunts and create your own memories, continuing the traditions of one of Africa's most magnificent hunting grounds - the place to revisit old and create new stories.
