Item Description

Purchased at auction. Functions as it should but has not been test fired.

Appears to have been a retirement gift for E.L.Hawkins, Chief from 1980-1981. Not sure who he is. Possible a fire department chief from Hagerstown, MD. Shotgun was purchased at auction in Boonsboro, MD.

A few marks on the right side rear receiver and left side front receiver. These marks are very hard to see in normal light. They are not obvious or distracting.

First year production. Also inside of forestock stamped Oct 1980.

Looks almost like a brand new gun.

Near Mint Condition.
