

SECTION 1: SEXING LEOPARDS

Numbers 1-14 include photographs of both male and female leopards. Please specify the sex of the leopard in Table 1. It is not necessary to age individuals. Each photograph represents a unique individual and must be assessed independently.

SECTION 2: AGING MALE LEOPARDS

Numbers 15-44 include photographs of male leopards only. Please classify individuals into one of four age categories in Table 2:

0-2 years, 2-4 years, 4-7 years, >7 years.

Each photograph represents a unique individual and must be assessed independently.
