About Us: We have been in business since 2003. We sell firearms on consignment -- one or two or an entire collection. We are new to Guns International but have been selling on GB for 19+ years. If you'd like to see our feedback there, our userId is "Firearms4Less+ dot + com".

2005 Joe Smithson / Granite Mountain Arms 404 Jeffery Bolt Action Big Game Safari Rifle

Description:

2008 Joe Smithson / Granite Mountain Arms 404 Jeffery Bolt Action Big Game Safari Rifle

I'm selling this rifle for a friend of mine, Mark Buchanan. This rifle is featured in his video, Big Bore Productions, Bolted to Death.

Description:

Beautiful Joe Smithson 404 Jeffery bolt action repeater built on a Granite Mountain Arms action. S/N 0090. 24" barrel and 9.9 lbs. Length of pull is 14 1/8". 3+1 capacity with hinged floorplate. I'm selling this for my client who purchased this rifle brand new from Joe Smithson in 2005 and took it on a couple Safaris. It has been fired apx 50 rounds. Joe builds less than 10 rifles per year and he builds among the best Safari grade bolt action rifles. The condition of the rifle is excellent – see photos. The bore is clean with sharp rifling. I also have ammo if you are interested. I also have the same rifle in a 500 Jeffery listed here.

Also included is a Murray leather shellholder.

If you will email me I can send you the link to all the photos shown here, plus a few more - high resolution.

\$250 insured shipping to your FFL.

Thanks for looking.
