#### Item Description

Really nice Ruger No 1 in 375 HH. Has nice wood, clean well functioning action, good bore with bright rifling, and crisp trigger. This rifle looks to be completely functional in every way just like when it was first built. This rifle has not been a safe queen, you can tell it has been used but very well taken care of. It does have some handling marks on the stock and forend but nothing more than normal use marks. Weighs 8 1/2 pds. Decelerator butt pad. Rear sight has been removed for use with a scope, very easy to order a replacement from Ruger. This rifle will make you a very good hunting rifle for a lot of years! Really considered keeping it for myself
