## #3855 - 38-55 Brass (2.080") (Large Rifle primer)

38-55 Win, 38-55 Winchester, 38-55 Ballard

2.076 - 2.082 O.A.L.

Status: **Backordered**

Ship date: *To Be Determined*

The .38-55 is the standard length of 2.080" which is the same as a Winchester case. Case mouth has thinner walls (.0072" average thickness at mouth) than the Winchester case allowing for use of the wide variety of bullet diameters, especially in tight chamber/large bore situations.

For tips on choosing which length case to go with, click here to read our article "Loading with Correct 38-55 Winchester Cases"

- 250 for \$133.00 *\$0.53/each*
