Looking For:

Caliber: 416 Rigby

Location: Edmond, Oklahoma, United States

Hard to find Ruger RSM 416 Rigby with Zeiss Conquest 1-4x24 scope. Circassian walnut wood, 23 inch barrel. 1 standing and 2 leafs on the rear sight. Bought for an Africa hunt but never went. It has approx. 20 rounds through it. Comes with 100 rounds of Nosler Trophy Grade Ammo (\$1000 value). I’m guessing the gun is 20 years old. It’s in great condition. \$3800 cash.
