ALLIANT RELODER 15 SMOKELESS GUN POWDER 5LB KEG

Every container of Alliant Reloder 15 Smokeless Powder is backed by a century of manufacturing experience and the most exacting quality control procedures in the industry. Chemical composition, grain shape and size, and overall density are constantly checked and tested in a ballistics lab to ensure consistency.

Reloder 15 is the best all-around medium speed rifle powder providing excellent .223 and .308 caliber performance. Selected as the powder for U.S. Military's M118 special ball long range sniper round. Known for having a broad range of calibers in medium rifle, Reloder 15 is great for high velocity varmint loads and is consistent in all temperatures. Reloder 15 powder is ideal for use in most medium caliber rifles but can also be used in silhouette recipes. Reloder 15 powder is ideal for use in most medium caliber rifles but can also be used in silhouette recipes.

Warnings from the Manufacturer:

- Do not exceed the loads displayed in the reloaders guide.
- Never mix any two powders regardless of type, brand, or source.
- Never substitute any smokeless powder for Black Powder or any Black Powder substitute.
