\$1,675.00

This is the smallest cartridge that you can can legally hunt all animals on planet earth with (wouldn't suggest rabbits though). The stock is a high end composite, and sells new for 575. Optic not included in price, but I could throw it in for something like 700 if you want. it's a kahles helia c 1.5-6x42. the rifle comes with a box of high quality factory hunting ammo. 210-771-9135. If you're willing to meet closer to San Antonio I can drop the price to 1575 for the rifle and 650 for the optic.
