Description

Additional information

Size Chart

Suns up, hoods up. Get UPF 50+ protection from damaging UV rays without overheating. Even though the Vintage Tan camouflage pattern makes it ideal for early season days in the field, the hooded style and retro camo make it versatile enough to wear almost anywhere from competitions to target shooting to hiking and fishing.

- 100% stretch polyester fabric
- UPF 50+ sun protection
- Self-fabric cuff
- Browning Vintage Tan retro camo pattern
- Screen-printed graphics

Finish off the look with the matching [Browning Cupped Up Mesh Cap](#).
