Used Cogswell & Harrison Magazine Rifle chambered in .404 Jeffery. Per manufacturer records, produced in 1952 or 1953, no other history known. 14" LOP, 8lb 9oz on my scale. Metal surfaces possibly refinished, small crack in wood behind tang, and magazine feeding issues that likely need to be corrected (weak magazine spring?). Also appears to be converted to cock-on-open? Normal handling wear for a 70 year old rifle. Bore looks clean. Understand I am not a gunsmith, item sold as is. Will ship in hard case to your ffl. Sales to US States only, see exceptions.
