Description

The Mjoelner Shooting Stick, properly the best on the market. Provides you with a rock-solid shooting platform with a huge variety of possibilities regardless of the terrain and shooting positions. Ergonomic contoured silicone handgrips provide a nonslip warming hold, that also avoid clapper sound from the legs. Silicon gun rest secures a silent handle. Silicone gun straps secures your gun in waiting situations and makes target switching fast, easy and salient. Special forces-like foot strap in paracord acts as the "fifth" leg and improves your capability in standing long range shooting. Traveler: 3 sections, < 60 cm. including traveler bag. The Mjoelner Stick is second to none.
