Kimber African Model 89 Cal. 416 Rigby

Description:
Kimber African Model 89 Cal. 416 Rigby, 24" barrel features quarter rib, 1 standing 1 folding express sights. Hooded front with flip up moon. Low glare matt finish metal work throughout is 100%. An impressive rifle finished to hand-built custom standards, this is a premier Kimber product and it really shows. Limited production with the magnum-length action, Mauser-style claw extractor and a 4 shot deep belly magazine makes this a top tier dangerous game rifle. Fitted with a Redfield 1 to 4 variable scope on hand detachable mounts. Ebony for-end and trap grip cap detail the classic profile along with the wonderful oval cheek piece. The stock has straight grain through the grip and a pleasing flourish of contrasting color and figure in the butt measuring 14". Weighs 9lbs, 10 oz. Wood is 99%, just the most minor rub on the stock. Most probably a veteran of numerous armchair safaris, the rifle appears about new unfired.

Price: \$6,750.00
