Up for bid is my uncommon left hand Zastava Model 70 in 458 Win Mag. The rifle is in excellent condition having less than 70 rounds thru it. The rifle comes with a Leupold M8 3x scope & rings. The bore, wood and bluing look new. The wood stock has good figure for a standard Zastava stock. There have been no modifications to the rifle. The LOP is 14 1/4". The scope is looking its age with a few small nicks, scratches and purpling. The glass is clear with no flaws. This rifle is somewhat rare being that it uses a genuine left handed Mauser 98 action. As one might expect, the action functions flawlessly. I've shot mostly 350 gr. Barnes TSX's thru this rifle. It's accurate and not too abusive. 500 grain loads will get your attention. The rifle must go to FFL. Buyer to pay \$40 shipping and ins. No CA sales. Payment must be received within 10 days of auction close. Please ensure your FFL will accept the gun from private seller. I will include photo ID. Email w/any questions..
