Ludwig Borovnik .300 Winchester Magnum SxS Double Rifle with Scope & Fancy Wood

Description:
 From one of the best and most renowned makers in Ferlach, Austria. Ludwig Borovnik has been building fine high-grade guns since the 1850s and there workmanship is unsurpassed. This fine rifle has been in my collection for over forty years and remains in just about new condition. It has 24" Bohler Special Steel barrels that are fitted with auto ejectors and chambered in the ever-popular .300 Winchester Magnum that is ideal for the big game of North America as well as around the world. The wood is extra fancy walnut and has beautiful skip line checkering. It is fitted with double triggers that are gold plated. The very strong box lock action is game scene engraved with scroll engraving on the sides and a large bear scene on the bottom. The scope is a Leupold Vari-X II in 2X7 power which fits the need for most hunting. The gun weighs in at 9.8 Lbs. and is fitted with sling swivels. Also included is a set of snap caps. If you have been looking for an affordable double rifle look no further as this one is priced to sell. I offer a three day non-firing inspection period and always want the buyer to be satisfied with their purchase. The gun will be packed correctly in a hard case and shipped in a with insurance to your FFL dealer in the continental United States for \$55 (California is extra because I have to ship through my local dealer). This gun requires a C&R or FFL license for transfer. I ship the following day after the payment arrives and provide tracking information. Please see my various collectible firearms that I have listed. Thanks for your interest and please let me know if you have any questions. Price is \$8750.00 plus shipping.
