Description

Meopta's **OPTIKA5 2-10x42mm** is a no-nonsense riflescope ideal for virtually any shooting application. Its versatile 2x to 10x magnification range is well suited for mid-range hunting, and its 1" diameter tube makes finding a mount/rings easy. The premium glass lenses are outfitted with Meopta's exclusive MeoBright and MeoDrop lens coatings. The MeoBright coating greatly enhances the light transmission to an outstanding 91%, while the MeoDrop coating repels water to allow the scope to be used in wet conditions. Other features of the OPTIKA5 2-10x42mm include an integrated throw lever for rapid magnification changes, and a simple Z-Plex reticle provides an unobstructed view of the target.

Features of the OPTIKA5 2-10x42mm Riflescope:

- Versatile 2x to 10x magnification range
- Classic 1" diameter tube
- MeoBright Lens Coating – 91% light transmission
- MeoDrop Lens Coating – Repels water
- Integrated throw lever
- Z-Plex Reticle

Gordon November 11, 2023

The price was great ! The shipping was unbelievable ! the Meopta scope is brighter than a new Burris fullfield or a Leupold Freedom or Vortex scopes under \$600 . I wish I would have spent \$30 more and got the model with the side Parallax 10meter on dial as I am putting it on an Anschutz .22 Sporter. Eurooptic is my go to optic retailer now ! I have also purchase other optics and firearms in the past but they have... [read more](#)
