

The Worldwide Hunting and Fishing Authority™

MISSOURI TURKEY

4 Night/3 Day

**Book 2-3 - \$1,000 per
hunter**

**Book 4-8 - \$900 per
hunter**

April 19-23, 2012

Spring turkey hunting in Northwest Missouri is one of the best turkey hunting experiences you can encounter. With outstanding habitat abundant with large hardwood roosting areas, open fields for strutting, and extensive nesting habitat, Missouri offers one of the largest turkey populations in the country. Combine this with the experienced hunters and wildlife professionals they utilize as guides and you are in for an outstanding turkey hunting experience.

Spring turkey hunts include transportation during the hunt, lodging in our comfortable farm house lodge, hardy home cooked meals and expert guides. If you are looking for your first gobbler strutting and drumming his way in or trying to finish your Grand Slam with a long beard of a lifetime they can fulfill your hunting needs.

Spring turkey licenses are purchased over the counter and require no application or draw. The turkey hunting license includes your big game permit and hunting license for the spring hunt.

Hunt does not include your hunting license.

In addition to this trip, other outdoor adventure opportunities are available through Outdoor Connection!
