*** INSTRUCTIONS and FREQUENTLY ASKED QUESTIONS (FAQS) !!!!!

In order to facilitate a smooth transaction and/or to answer commonly asked questions, please take a few moments to read this section BEFORE contacting us, placing a bid, or using the "Buy It Now" option.

PAYMENT

~ We accept payment via certified bank check/cashier's check, money order, or credit/debit card (3% added for all card transactions). We do NOT accept personal checks, business checks, , or Bill Pay type payments under any circumstances.

~ If paying with certified bank check/cashier's check, you will need to include a copy of the Gunbroker order when sending the payment. Payment can be mailed to the address on file with Gunbroker. If you are sending your payment via standard USPS first class mail, we strongly recommend that you add the tracking option to the payment. This provides you, the customer, with peace of mind when sending a payment through the postal service. It is a regular occurrence for delays to occur with the postal service. Unfortunately, we have no control over this and as a result, we recommend a tracking option when sending payment.

~ If paying with a credit or debit card, you will need to proceed through the Gunbroker checkout system and pay. Please be sure that you correctly enter your billing address when entering your payment information.

~ Once payment is received, our office will mark "Payment Received" in the Gunbroker checkout system. Unfortunately, due to the large volume of items that we sell and ship, we are unable to provide customers with an emailed payment update. We are not being unkind or inconsiderate, but the amount of requests that we receive on a daily basis has now gotten to the point where it is interruptive of our daily work. Again, it will be marked in the Gunbroker checkout system once the payment has been received.

~ Payment MUST be received within 8 days of auction ending or the Buy It Now option being used.

~ We do not offer layaway.

FFL/TRANSFER

~ If you are purchasing a firearm or firearm receiver, we will need to receive a copy of your dealer's federal firearms license (FFL) prior to shipping the item. You will need to contact them, make the necessary arrangements with them for the transfer, and have them send a copy of their license to us. If your dealer requires us, the seller, to request the FFL copy directly from them, you will need to provide us with a valid email address so that we can send them an email request. Due to the large volume of transactions that we handle, we are unavailable to call and arrange transfers over the phone.

~ The FFL copy can be emailed to us, faxed to us, or if you are mailing in a payment, you can include a physical copy with the payment. Our auction email address and fax number can be found in our contact information. Make sure they reference your name, description of what you are purchasing, and item/order number with the FFL so that we can match it up to your payment/account. Failure to reference this information with the FFL copy may result in a delay of your item being shipped.

~ When the FFL is received, our office will go into the Gunbroker checkout system/invoice and mark "Payment Received." Please allow our office a full business day (M-F) to receive and process the FFL paperwork.

~ Even if your dealer is listed on the Gunbroker dealer registry, we will still need a copy of the license-as required by ATF.

~ A valid, signed copy of an FFL must be received prior to shipping this item. The FFL copy must be received within 30 days of the auction end. As of day 31, we charge a \$5 a day storage fee until the FFL copy is received. As of day 61, the item is ours to keep. The purpose of this rule is to make sure that the transaction is quickly wrapped up and that you, the buyer, promptly receive your item. Due to the large volume of items we receive, sell, and ship, our storage is limited. That is why we cannot store your item for a long period of time.

~ We do not allow for local pick-up, nor do we conduct face-to-face transactions.

SHIPPING

~ The shipping price listed in the auction reflects the shipping cost to the lower 48 states. Shipping to AK, HI, PR, or GU is more. We only ship ammunition to the lower 48 states. We do not ship internationally.

~ Once payment and a copy of your dealer's FFL are received (if the item so requires an FFL), our warehouse will then process the order and ship the item. Once the item ships, the warehouse will upload the tracking number into the Gunbroker checkout system/order. Tracking information will not be emailed to you directly. The warehouse ships within 2 business days (M-F) after receiving both the payment and FFL.

LEGAL/RESTRICTED STATES/LOCAL LAWS

~ Make sure you can own this item where you live before bidding!

~ We do ship to all 50 states AS LONG AS YOUR DEALER WILL ACCEPT THE ITEM.

~ California..... To all our California customers, if you do not know whether or not you can own our item, DON'T BID ON IT !!! We have had way too many buyers that outbid legitimate bidders and win the item, only to find out that they cannot receive the item because they are not allowed to own it in California, their dealer will not receive it, it is not the approved roster of handguns, etc. If you are not sure as to whether or not you can own it, contact your transfer dealer first before bidding.

~ High Capacity Magazines We will NOT ship high capacity magazines to restricted states unless the actual purchaser is a sworn law enforcement officer or the licensed dealer (FFL holder) will accept them. We will NOT disassemble high capacity magazines and ship them as "parts" nor will we ship them to another state when the buyer lives in a restricted state. We do not stock 10 round magazines to substitute. .

NON-PAYING BIDDERS

~ We have seen a tremendous increase in the number of non-paying bidders on Gunbroker. Not only does this cost us time and money, but it prevents legitimate buyers from obtaining an item that they want. As a result, if you bid on an item and win it or use the "Buy It Now" option, you are expected to pay within the guidelines outlined above. If you do not pay, we will assess a re-listing fee, which will be 15% of the winning bid. There will be no exceptions to this rule!

~ If you do not pay the re-listing fee, we will forward your information to a credit collection agency of our choice. This will result in additional fees and ultimately negative information being recorded on your credit report.

*** Remember....you are entering into a binding agreement !!!

MISCELLANEOUS

~ All prices are firm. Please do not email us with offers.

~ All Sales are Final !!!
