## Cull Hunts

Because of surplus animals that need to be reduced to give other species the chance to increase their numbers DE KLERK SAFARIS has decided to introduce the concept of cull hunts to our clients.

Cull Hunts can be for male or female animals and are not for trophy animals. Some animals with inferior genetics or broken horns will be hunted. The Professional Hunter in charge of the hunt will point out which animals are to be shot. The idea behind cull hunts is to harvest a great number of animals in a short period of time.

Species available for Cull Hunts:

Red Hartebeest	\$250
Springbuck	\$150
Black Wildebeest	\$250
Blue Wildebeest	\$250
Warthog	\$100
Eland	\$400
