▼ **Item Description**

Like new, probably never mounted, perfectly clear glass, and complete with original box and paperwork. I added some generic flip caps so the original Nikon branded ones can live in the box and be preserved, though I never used this scope so the whole package has simply been preserved in a gun safe. I may change my mind and throw this on a dangerous game rifle, but for now it is for sale.

I can accept checks, USPS money orders, or Z. Fully insured CONUS Shipping is on me (AK/hi: add \$30). This will ship once payment has cleared. For flakes and non-paying bidders, or those with such trends noted in their feedback rating, I reserve the right to block users or cancel the order so we aren't wasting eachother's time and resources. Thanks for looking, let me know what questions you have!
