MWS will only ship parts to address that is registered and on file with your Credit Card Company. MWS now uses the AVS (Credit Card Address Verification System) on both your Zip code and Address as our primary defense against fraudulent Orders and "Identity Theft". Fraudulent Orders have been on the rise recently so we had to make a change.

\*\*\*AVS electronically matches your Credit Card number to the address on file with your Credit Card Company to ensure the person using the card is the owner. DO NOT USE A CREDIT CARD OWNED BY ANYONE BUT YOU THE BUYER OR WE CANCEL THE AUCTION - If your Order's billing address does not match the address on file with your Credit Card Company, then your order will automatically be declined on our side. However, you may have an authorization hold of funds on your account, these funds are not taken by us and will fall off in a few days. Customers who use a PO BOX as a billing address must now register their real physical shipping address (street address) with their Credit Card Company, AVS cannot verify PO BOX addresses as a valid street addresses and therefore will not pass AVS and decline. MWS and FEDEX will not ship to a P.O. Box, APO/FPO or international addresses. \*\*\*

To fix this issue if you have it follow the instructions below.

To register your shipping address, simply call the toll free number on the back of your credit card, and tell card company that you would like to add an alternate "ship to" address to your account (it only takes a few minutes). Be certain to provide a "real billing / shipping street address" that is registered with your Credit Card Company to avoid delays.

Gun is factory new in the box, unless otherwise stated as used.

Pictures are for factory provided images unless they are taken in our shop

Specifications subject to change, we do the best we can to keep up, please refer to the manufacturer for current specs By bidding you agree to a 20% RESTOCKING FEE IF YOU PURCHASE THIS GUN AND THEN CANCEL the auction and payment based on being in NON-COMPLIANCE and are UNABLE TO OWN the gun purchased.

\*\*Processing, CC fees and auction fees are not free, they do cost us, this is why we charge this fee if you do not verify before purchasing and cancel.\*\*
