*Shotgun weight will vary based on custom option changes like barrel length and variations of weight in wood.

Shotgun Dimensions

***While every RFM gun purchase through Upland Gun Company comes with the ability to have your stock made to custom dimensions, we do offer a standard dimension option. The standard stock dimensions are as follows:

- Length of Pull: 15"
- Drop at Comb: 1 1/2"
- Drop at Heel: 2 1/4"
- Cast at Heel: 1/4" OFF
- Cast at Toe: 3/8" OFF
- Pitch: 2" / 4°

In-Stock Offerings: We maintain a limited selection of guns on-hand and in the U.S. for immediate sale. [Please click here to see what is currently available.](#)
