Rigby Dagga Boy book is the ultimate coffee table book for anyone who has experienced the magic of a buffalo hunt or those for whom bagging a Cape buffalo is a lifelong dream. Limited to just 1,000 copies, the book features over 70 stories interspersed with behind-the-scenes photography and details of the outfitters and Professional Hunters involved. The book is a compilation of the incredible buffalo hunt accounts sent in by hunters from around the world as their entries to the inaugural Rigby Dagga Boy Award in late 2021.
