## Rols® Classic Bronze

Engineered so as to be the extension of your own arm, this new straight-pull action ROLS® is fit for driven hunts as well as for stalking or mountain hunting. Suited to any hunting situation, thanks to its modular conception, you can change barrels with a simple screwdriver. 10 calibers are listed and available. Thanks to its lightweight, its perfect balance, and the smoothness of its action, quick follow-on shots are easy.

## Features-

- Action machined out of Fortal 7075 alloy, with ROLS engravings, bronze or black colored surface treatment – Grade 3 walnut butt with a pistol grip,
- German cheek piece, smooth and oil-finished tulip-shaped front-piece -
- Recoil pad.
- High capacity, rotating magazine 4+ 1 for standard calibers and 3+ 1 in Magnum calibers -
- Interchangeable barrels with triangle-shaped, luminescent rear sights and adjustable front sight.
