**RUGER RSM in 458 LOTT**

**Description:**

Please consider this Ruger RSM in 458 Lott for the upper end of your next African safari battery. The condition is excellent with 2 minor dents on the right of the buttstock as seen on pictures 2 and 3. There is also a pattern of very slight indentations in the wood on the buttstock side of the bolt handle seen an image 4.

This is very minor and has to have just the right lighting in order to visualize. The original hard rubber pad was removed and replaced with a more pliable Pachmyer 1inch pad. The wood is uncut and all original. Satisfaction guaranteed.

Shipping and insurance is \$125.00.

I also have a Hornady 3 die set available. In addition, I have a total of 104 rounds of factory Federal/Hornady ammo in pristine condition in factory boxes. If you decide to buy the rifle, we can work out a deal for these items if you like.

**Price:** \$2,850.00

**Rifle Caliber:** .458 Lott
