Massive Factory Game Scene Engraved Verney-Carron Azur Safari Luxe Dangerous Game Double Rifle in .600 Nitro Express with Case

This massive double rifle is chambered for .600 Nitro Express, one of the most powerful sporting cartridges in the world, putting out over 8,000 ft/lbs of energy. It is safe to say that there is no game on the planet that is rifle is not capable of laying low. The gun shows attractive scroll engraving as well as a fine cape buffalo engraved on the underside of the action. The signature on the triggerplate appears to read "R Pamonte M D F". With a wood and canvas takedown case. The length of pull is 14 5/8" and the rifle weighs an impressive 15 lbs. 2 oz.

Class: Modern Long Gun

Very fine, original finish with some light handling evidence on the barrels, loss of grey finish and some dried grease, and sharp checkering on the stock and forend. Mechanically excellent. The case is very good with some loose sections inside. Do not miss this chance to own this true stopping rifle!
