This rifle is built on the "H&H Magnum" or "long magnum" pre-64 Model 70 receiver which was designed to accommodate the exceptional length of the .300 H&H and .375 H&H magnum cartridges. This receiver accepts a longer magazine box and also has a longer case ejection opening. This receiver can eject an unfired round up to 3.7 inches in length and is ideal for any cartridge based on the H&H parent shell casing.

This is a no reserve auction on a Winchester Pre-64 Model 70 Custom rifle built by Trophy Ammo. It is chambered in .300 Weatherby Magnum. It features a McMillan stock and a 26" match barrel with a muzzle brake. Stock length of pull is 13.5". The rifle is beautifully built. It appears to have been fired very little. The bore is perfect and the rifle functions perfectly. The butt pad has a little bit of rubber bubbling on the side, otherwise the rifle is like mint. Examine the photos closely to make your own appraisal of the condition. Shipped and insured to your dealer for \$60. Payment is expected within 10 days of the auction closing. Please read the following TERMS and CONDITIONS and bid only if you are willing to abide by them: (1) Prompt and complete payment is required - no layaway or payment terms are available. (2) Only personal checks, certified checks and money orders are accepted -no Western Union Money Transfers or credit cards. (3) I will provide a complete refund if the buyer is not satisfied with the gun and returns it in the same condition as received, but I will not provide a partial refund whereby the buyer keeps the firearm at a discounted price. (4) It is the buyer's responsibility to locate a dealer who can receive the firearm on his or her behalf, to make any arrangements necessary, and to provide me with a copy of the dealer's Federal Firearms License. Providing me the dealer's name and contact information is not sufficient - it is not my responsibility to chase down a copy of their license. The FFL copy can be mailed with the payment for the firearm or it can emailed to me by the dealer or the buyer.
