Description Additional information

NEW STOCK

*12/11/2024

CAT 51 .358 Cal .358" RNSN 225gr.

We will list here, any new production in the last couple of weeks. * Please check the date above. All products which are available are in the bullets list.

We are keeping a list of customers who would like to be advised of a particular product. If you want to be added to the list please send an email to info@samhuntvic.com.au You only need to list the cal's that you want to know about. We will certainly advise you when that product is available.

There is a flat \$12 per consignment postage fee for Woodleigh bullets and other Woodleigh products regardless of the quantity. If you purchase Bertram Brass at the same time, the system will only charge you once for freight.

We recommend using Express Post as the quickest and most reliable posting method, especially to states other than Victoria. You can purchase the **Express Post Upgrade** from the bullets list for \$3.00, it's a good deal. It will be added to your invoice.

Pick up from our warehouse is available. Please order via a message on the Contact page so that freight is not added to your order by the system. We will give you our bank details by email. Payment should be made prior to pick up. There is no extra charge.

We cannot ship bullets overseas but we can send the Loading Manual. Please use the Contact button to ask about shipping cost.

PLEASE READ THIS:

When you select a product, the stock figure is correct.

We have listed the most common projectiles and those that we generally stock. We normally stock over eighty Cal/weight/type combinations when they are available from Woodleigh.

The Woodleigh Loading Manual is in stock. The price is \$50.00 and can be purchased separately or can be included in any projectile order. Hard cover, 349 pages. Includes the history of Woodleigh, descriptions of bullets and reloading recommendations. Excellent information and a great read.
